Pursuant to the Order of the California Public Health Officer issued on August 28, 2020, and as incorporated by the Health Officer Order and Emergency Regulations in effect throughout San Diego County, gyms and fitness centers may operate in compliance with applicable industry guidance. *COVID-19 Industry Guidance: Gyms and Fitness Centers*, published by the California Department of Public Health and CalOSHA, states fitness centers may not operate indoors based on the County's current Tier 1 status.

It has been documented that indoor operations are occurring at 4810 Mercury Street, San Diego, CA 92111 in violation of the Order of the State Health Officer and the County Order of the Health Officer and Emergency Regulations.

I appreciate the impact these restrictions have on your business. However, as the responsible party for your facility, it is your duty to ensure that the Orders' are complied with. If you do not comply, we will take actions necessary to enforce the Orders. Failure to comply may result in criminal misdemeanor citations with a \$1,000 fine for *each* violation.
